

The Oxford Chamber of Commerce is so grateful for our Businesses and our Community Members. We realize that our Businesses need our help now more than ever.

We are here to show our businesses we support them and will help to ensure they will survive and we will become a stronger community together.

Our businesses are resilient and motivated to overcome this pandemic but many will need your help to survive. See below for some easy ways to help us be #oxfordohstrong.

- 1) Spread the love and buy a gift card to your favorite places! Gift cards are a great option because they help provide cash for businesses right now. Spend it, save it, gift it, it will make a big impact!
- 2) Share the Social Media LOVE! Let your circle know that you are supporting small business and help increase the visibility of your favorites! Sharing pages, leaving reviews and sending encouraging messages can make a HUGE Difference. It doesn't cost a penny but the impact is PRICELESS!
- 3) Carry out meals are a great win! Supporting the business AND getting a night off from cooking!
- 4) Send a quick note of encouragement to help them get through this time! #spreadlovenotgerms.

The Chamber Board is busy monitoring information from our City Leaders about the status of Miami, Talawanda, McCullough Hyde, Butler County SBDC and the City of Oxford to be able to communicate about loan options, payment deferrals, unemployment as well as what other chamber/cities are offering to their businesses to share with our city. We are working on updating our website to hold all this information in one spot. We are also sending a survey to our businesses to better understand the needs.

Please reach out to our Chamber President, Kelli Riggs if you have any questions or other ideas. We will get through this very uncertain time.

Kelli Riggs, President
